

NEWS RELEASE

## Omnicell to Host Investor Day on September 20, 2022

8/25/2022

SANTA CLARA, Calif.--(BUSINESS WIRE)-- Omnicell, Inc. (Nasdaq: OMCL), a leading provider of medication management and adherence tools for health systems and pharmacies, today announced that it will host an Investor Day on September 20, 2022 at 1:00 p.m. Eastern Time.

The Investor Day will provide an opportunity for investors and analysts to hear from members of Omnicell's executive leadership team as they discuss the Company's differentiated business strategy, unique industry position and long-term financial outlook. There will be a Q&A session following the presentations.

Scheduled speakers will include:

- Randall Lipps, Chairman, President, Chief Executive Officer and Founder
- Peter Kuipers, Executive Vice President and Chief Financial Officer
- Scott Seidelmann, Executive Vice President and Chief Commercial Officer
- Danny Sanchez, Senior Vice President and General Manager, EnlivenHealth®

A live webcast of the event, including a slide presentation, will be available on the "Investor Relations" section of Omnicell's website at <http://ir.omnicell.com/events-and-presentations/>.

A replay of the webcast will also be available following the conclusion of the event.

### About Omnicell

Since 1992, Omnicell has been committed to transforming the pharmacy care delivery model to dramatically improve outcomes and lower costs. Through the industry vision of the Autonomous Pharmacy, a combination of automation, intelligence, and technology-enabled services, powered by a cloud data platform, Omnicell supports more efficient ways to manage medications across all care settings.

Facilities worldwide use our automation and analytics solutions to increase operational efficiency, reduce medication errors, deliver actionable intelligence, and improve patient safety. Institutional and retail pharmacies across North America, the United Kingdom, Germany, and Australia leverage our innovative medication adherence and population health solutions to improve patient engagement and adherence to prescriptions, helping to reduce costly hospital readmissions.

## Forward-Looking Statements

To the extent any statements contained in this press release deal with information that is not historical, these statements are "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. Without limiting the foregoing, statements including the words "expect," "intend," "may," "will," "should," "would," "could," "plan," "potential," "anticipate," "believe," "forecast," "guidance," "outlook," "goals," "target," "estimate," "seek," "predict," "project," and similar expressions are intended to identify forward-looking statements. Forward-looking statements are subject to the occurrence of many events outside Omnicell's control. Such statements include, but are not limited to planned new products and services and the related expected benefits (and any implied financial impact), and statements about Omnicell's strategy, plans, objectives, goals, and vision. Actual results and other events may differ significantly from those contemplated by forward-looking statements due to numerous factors that involve substantial known and unknown risks and uncertainties. These risks and uncertainties include, among other things, (i) risks related to the ongoing COVID-19 pandemic (including new variants of the virus), (ii) Omnicell's ability to take advantage of growth opportunities and develop and commercialize new solutions and enhance existing solutions, (iii) continued and increased competition from current and future competitors in the medication management automation solutions market and the medication adherence solutions market, (iv) unfavorable general economic and market conditions or reduction in demand for our solutions, (v) risks related to Omnicell's investments in new business strategies or initiatives, including its transition to selling more products and services on a subscription basis, (vi) any disruption in Omnicell's information technology systems and breaches of data security or cyber-attacks on its systems or solutions, (vii) Omnicell's ability to protect its intellectual property, (viii) Omnicell's ability to meet the demands of, or maintain relationships with, its institutional, retail, and specialty pharmacy customers, (ix) risks related to the availability and sources of raw

materials and components or price fluctuations, shortages, or interruptions of supply, (x) Omnicell's dependence on a limited number of suppliers for certain components, equipment, and raw materials, as well as technologies provided by third-party vendors, and (xi) other risks and uncertainties further described in the "Risk Factors" section of Omnicell's most recent Annual Report on Form 10-K and subsequent quarterly reports on Form 10-Q, as well as in Omnicell's other reports filed with or furnished to the United States Securities and Exchange Commission ("SEC"), available at [www.sec.gov](http://www.sec.gov). Forward-looking statements should be considered in light of these risks and uncertainties. Investors and others are cautioned not to place undue reliance on forward-looking statements. All forward-looking statements contained in this press release speak only as of the date of this press release. Omnicell assumes no obligation to update any such statements publicly, or to update the reasons actual results could differ materially from those expressed or implied in any forward-looking statements, whether as a result of changed circumstances, new information, future events, or otherwise, except as required by law.
